TARGA 53 GT

Indulge your passion for exploration
in the finely-crafted Targa 53 GT

FAIRLINE
YACHTS

Every. Perfect. Detail.

JANUARY 2017

Over the waves
to your favourite locations in style

You've stocked the provisions, chosen a bay to explore and your guests are on board. The muscular power and grace of the Targa 53 GT awaits to take you all on an exhilarating journey.

From the visual impact of its bold and beautiful design, the Targa 53 GT has been carefully considered with uninterrupted freedom in mind. Every detail of the interior is thoughtfully created for maximum space, light and enjoyment.

Expert engineering gives exceptional handling, with a top speed in excess of 30 knots. Your party can relax on the open-plan main deck, with its spacious cockpit and retractable hardtop, sleep soundly in the spacious cabins, or shower down after a swim – all in perfect harmony.

FAIRLINE YACHTS

Intuitively ready for every journey

From the generous layout to the power of the engines, the Targa 53 GT has every little detail covered for enjoyable explorations on the high seas.

- **A bright, airy saloon with marble inset detailing**
- **Multiple layout options to suit your requirements**
- **Cockpit seating with sunpad conversion**
- **40” LCD television to saloon**
- **Optional gyroscopic stabiliser**
- **An optional cabin for crew**
- **A choice of powerful engines:**
  - 2 x Volvo Penta D11-675 shaft drive, diesel with 675mhp each and an estimated maximum speed of 30 knots
  - 2 x Volvo Penta D11-725 shaft drive, diesel with 725mhp each and an estimated maximum speed of 32 knots
  - 2 x Caterpillar C12.9 shaft drive, diesel with 850mhp each and an estimated maximum speed of 34 knots

The Targa 53 GT gracefully
provides everything for the perfect adventure

The choice of interior
is equally extensive

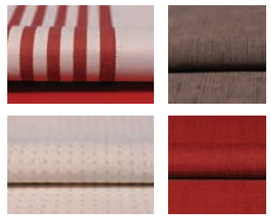
This is especially true, given the fact that we have handpicked four beautiful interior design schemes for you to choose from:

AMALFI

Inspired by Liguria's local architecture, this scheme exudes the sunny warmth synonymous with fragrant Italian lemon trees and the umbrella-lined shores of the Amalfi coast.

CAPRI

Understated, earthy colours, effortlessly combined with rich natural textures. All the hallmarks of an interior design collection that is as gentle as the Mediterranean breeze.

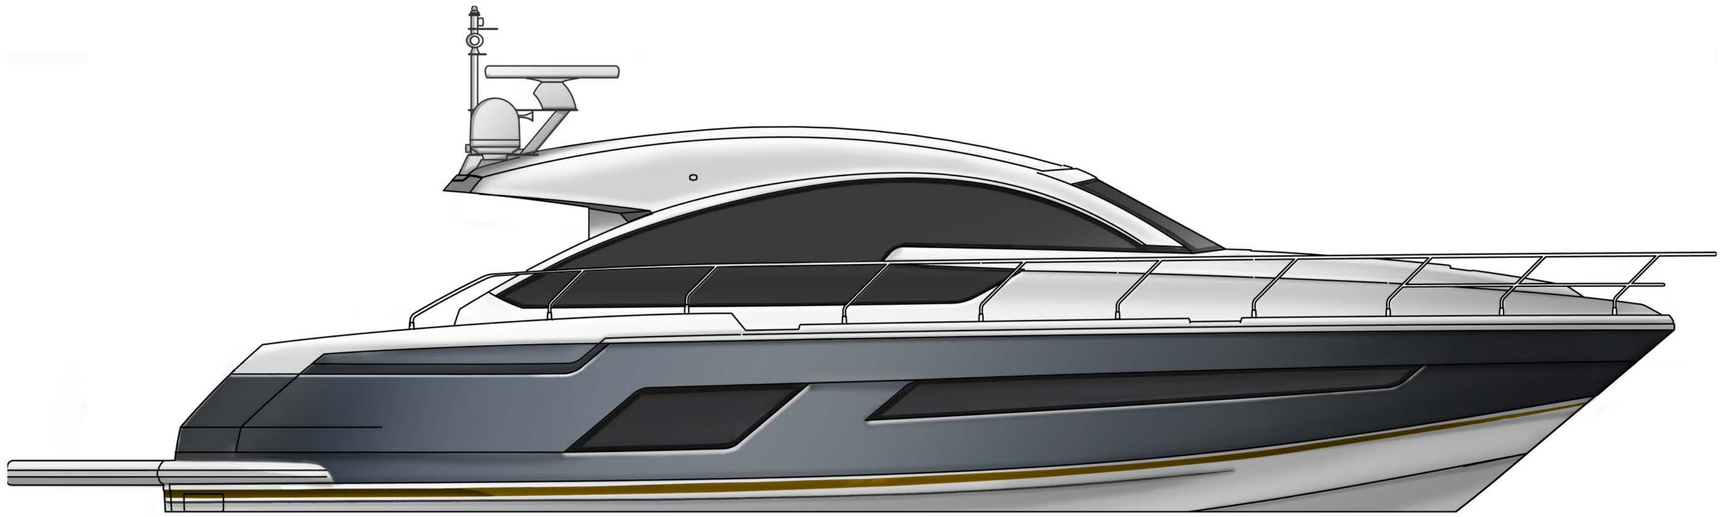


HAMPTONS

Evoking elegant vintage design cues, whilst offering a bold and contemporary interpretation of the luxury that was once the preserve of America's East Coast.

ST. TROPEZ

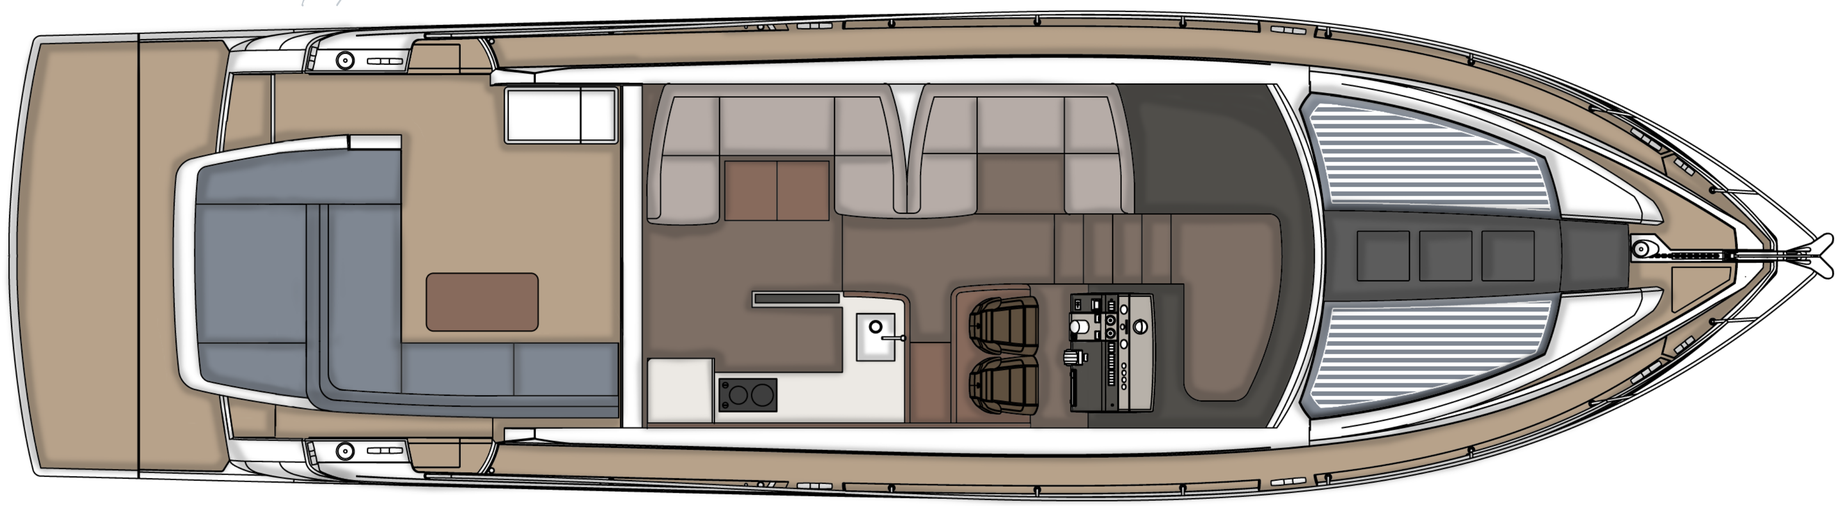
An ode to the sea where all manner of deep, oceanic blues tastefully swirl with muted greys, delicate creams and classic nautical motifs.



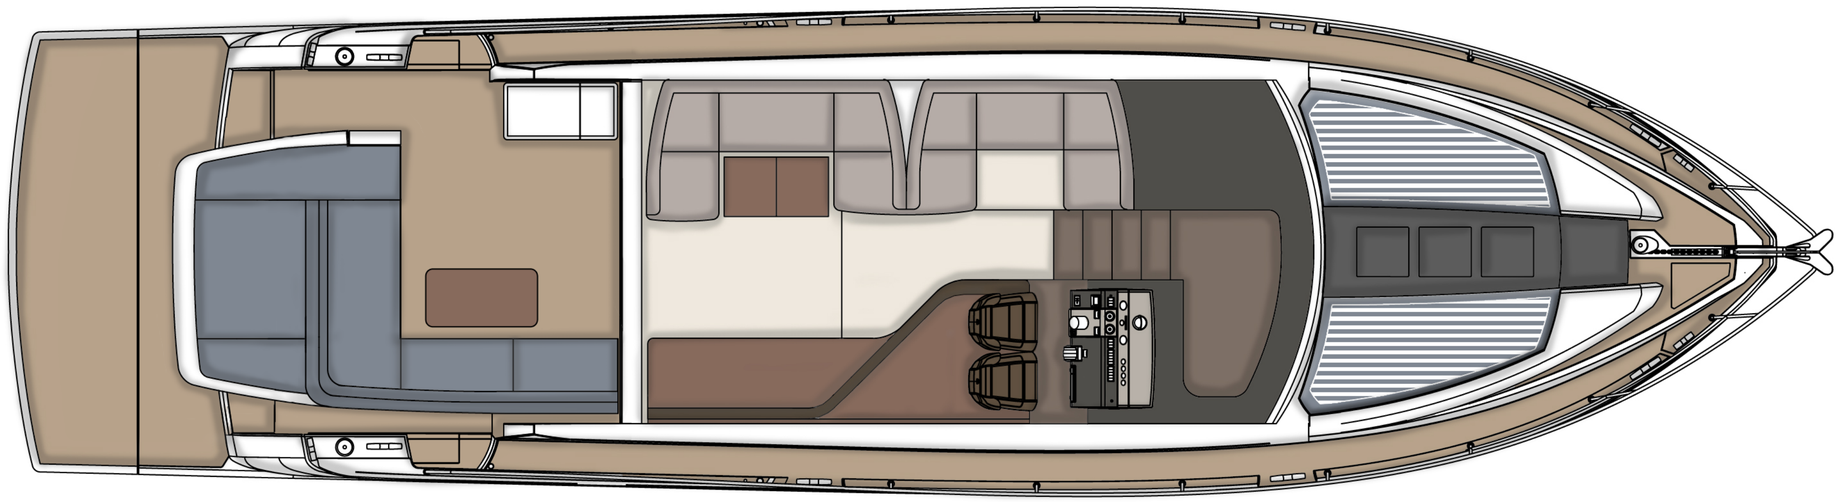
Proportions balanced for maximum space

- Length overall (inc. pulpit): 55’6” (16.92m)
- Length overall (exc. pulpit): 53’6” (16.32m)
- Beam (inc. gunwale): 14’10” (4.52m)
- Number of berths: 6 – 7
- Draught: 3’11” (1.20m) unloaded
- Height above waterline (inc. arch & nav. light mast): 15’1” (4.60m)
- Transport height: 15’11” (4.87m)
- Dry weight (approx.): 19.19 imp. tons / 21.49 US tons (19,500kg)
- Fuel capacity: 530 gallons / 637 US gallons (2,412 litres)
- Water capacity (inc. calorifier): 120 gallons / 145 US gallons (550 litres)

Main Deck Galley Up



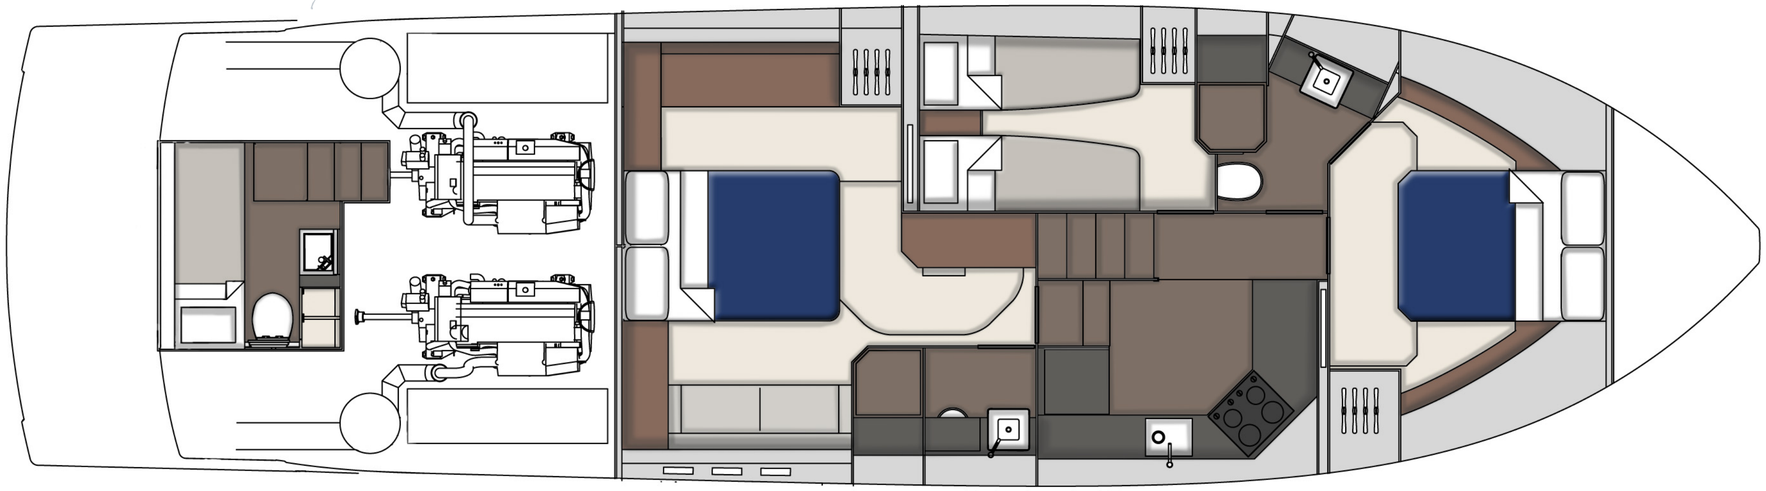
Main Deck



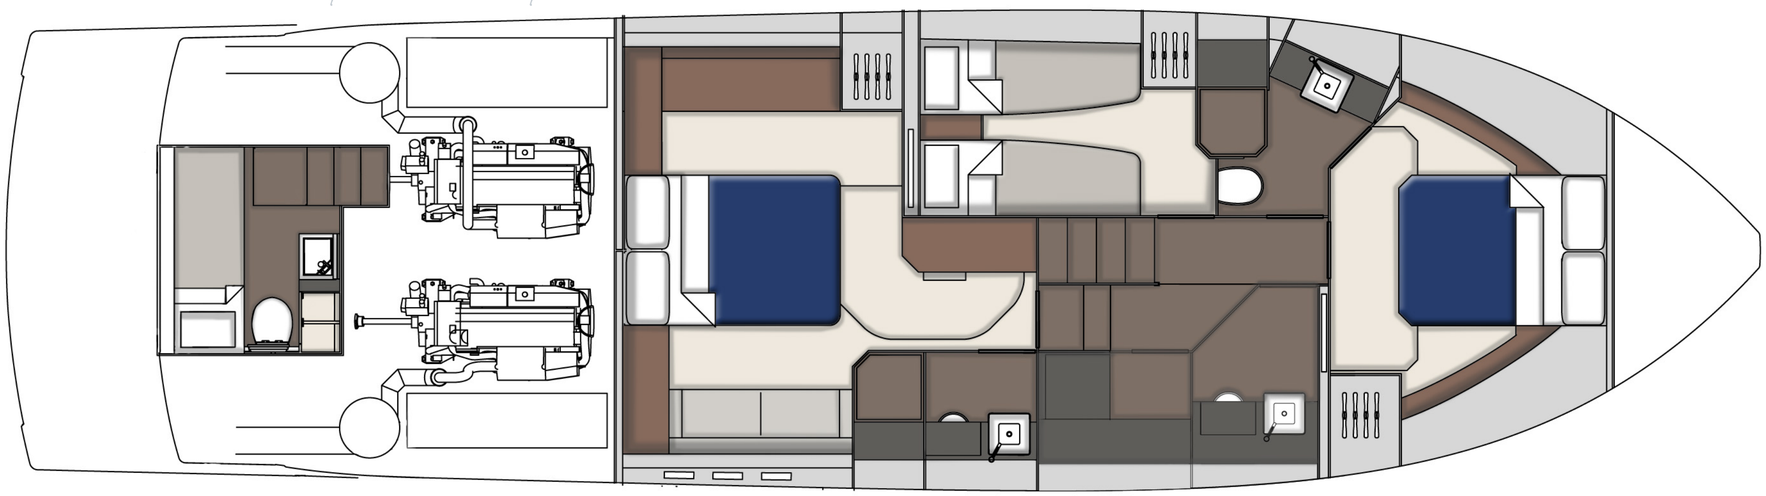
Deck Plan – Main Deck

Beautifully finished and spacious, the main deck is where you and your guests can really stretch out and relax in style.

Lower Deck Galley Down



Lower Deck with Day Head & Utility



Deck Plan – Lower Deck

There's ample space between the main and guest bedrooms, with light and airy and 2 or 3 heads options.

Finally, everything else that goes into making the perfect yacht...

Black mesh windscreen covers
Bow thruster controls
Controls for engine bay fire extinguisher system
Drinks holders
Electronic single-lever throttle & gear controls for port & starboard engines
Fuel gauges
Full engine instrumentation inc; tachometers, temperature gauges, audible alarms & engine hour meters
Garmin GHP 20 autopilot system
Garmin GMI 20 digital multi-function instrument system with colour display
Garmin VHF 300i marine radio
High speed magnetic compass
Opening window
Powered steering
Red night-light illumination to helm
Remote anchor winch controls
Rudder position indicator
Searchlight controls
Settee opposite helm with table
Switches for navigation & riding lights, windscreen wipers & engine bay extractor fans
Trim tab controls
Twin helm seats

ELECTRICAL SYSTEMS

230 – 240V 50Hz
All 240V, 24V &12V circuits (where applicable) protected by circuit breakers with main electrical load control panel
Heavy duty circuit breakers
Isolating switches to all batteries
Onan® 9.5kW generator

12 Volt

Voltage dropper from domestic batteries

24 Volt

Batteries - 2 x heavy duty batteries exclusively for port engine starting
Batteries - 2 x heavy duty batteries exclusively for starboard engine starting
Batteries - 4 x heavy duty batteries wired in parallel supplying domestic services & port engine starting
Circuit breaker for anchor winch
Emergency battery coupling system permits each engine to start from opposite battery bank
Regulated battery charger

240 Volt

Polarity check & earth leakage protection system
Power points throughout fed from shore power or generator
Regulated 75amp charger for domestic batteries
Shore power supply
Spare circuit breakers for optional equipment

COCKPIT

12V heavy duty weatherproof socket
Access to lazarette or crew cabin
Access to side deck
Bathing platform lights
Boat hook
Deck level lighting
Drinks holders
Engine bay access hatch with stainless steel gas struts
Fender stowage
'J' shaped cockpit seating with adjustable backrest to make sunpad
Life raft stowage
Manual bilge pumps
Mooring warps
Mooring warp stowage
Port side access
Single level floor from cockpit to saloon
Teak laid floor throughout self-draining cockpit
Teak table with drinks holder
Transom gate
White vinyl cover

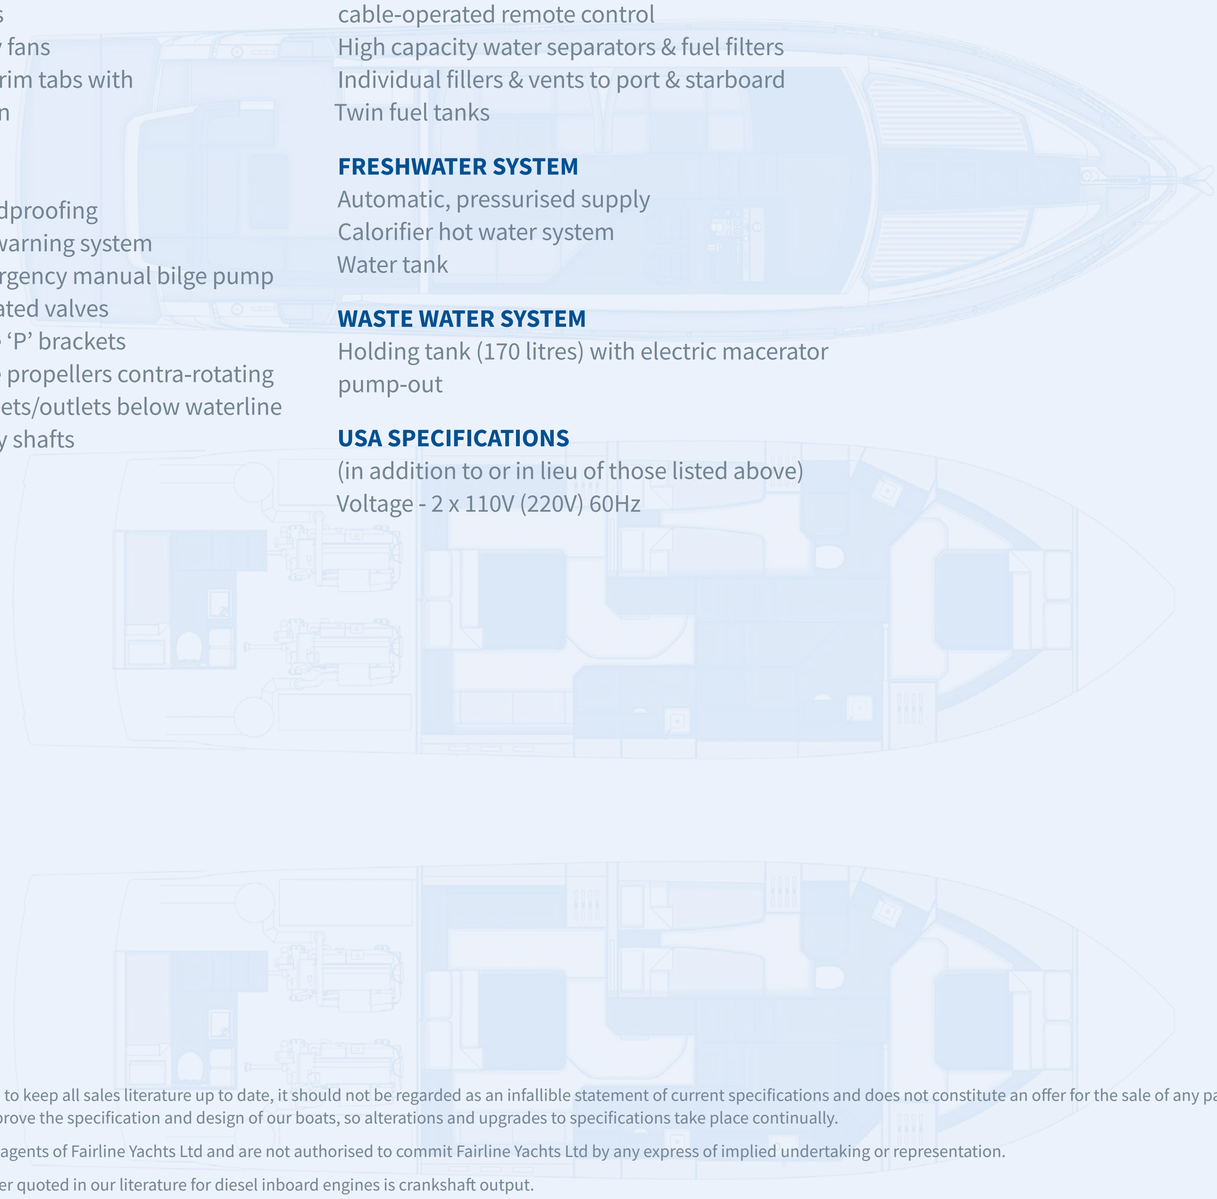
WASTE WATER SYSTEM

Holding tank (170 litres) with electric macerator pump-out

USA SPECIFICATIONS

(in addition to or in lieu of those listed above)
Voltage - 2 x 110V (220V) 60Hz



Whilst every effort is made to keep all sales literature up to date, it should not be regarded as an infallible statement of current specifications and does not constitute an offer for the sale of any particular boat. We continually seek to improve the specification and design of our boats, so alterations and upgrades to specifications take place continually.

Appointed dealers are not agents of Fairline Yachts Ltd and are not authorised to commit Fairline Yachts Ltd by any express of implied undertaking or representation.

Performance Figures: Power quoted in our literature for diesel inboard engines is crankshaft output.

Performance Estimates: Performance estimates are given in good faith, but are in no way guaranteed for any particular model. Dirt on the bottom of the boat, damage to the propellers, engine tuning, external water and air temperatures, and the weight of the crew, fuel and water carried can all adversely affect performance. For those and other reasons we can give no performance guarantees.

An unrivalled dealership network

Just like the many parts that make up one of our extraordinary yachts, so too are international dealers handpicked and perfectly placed to cover anything and everything you could want from Fairline (you can visit **fairline.com** for details of your nearest dealer).
