Description

Bayliner 4788 Pilothouse / 1995

This classic Bayliner 4788 is a great boat for enjoying all that the local cruising ground has to offer. Her raised pilot house gives protection from the elements while affording great views while underway.

This popular 4788 pilot house cruiser from Bayliner has a good size and comfortable full beam saloon with a corner lounge, removable dining table and two stylish tub chairs and a coffee table. There is a good size galley with 4 ring electric hob and cooker, a full size fridge freezer and 600 watt Samsung microwave. Steps from the saloon lead down to her three cabin two head accommodation with a separate double to port and a twin bunk cabin that can convert to a sofa and connect with the forward master cabin which has an ensuite with small bath. Steps from the saloon lead up to her raised pilothouse and another stairway takes you up to the flybridge with more seating, crane and dinghy storage and an aft ladder to the rear cockpit where the 15 hp outboard is stored. Powered by twin Hino 315hp marine diesel engines she can cruise at 12 knots and reach 18 when on the plane. She also has a Kohler generator to power the air conditioning and other electrical appliances.

Broker comment;

This is an ideal boat for cruising the area in comfort with family and friends. The full beam saloon has large panoramic windows and with her “small apartment” feel she would make an excellent liveboard. She is in reasonable condition for a boat of her age and has recently undergone a complete osmosis treatment.

- Engines twin Hino 315hp Diesel
- Kohler Generator
- Spacious and comfortable saloon
- Tropical air conditioning
- Furuno chart plotter and separate radar
- Fishing outriggers
- RIB tender and 15hp four stroke outboard
- Registered in Thailand
- Length 14.3 metres, beam 4.6 metres, draft 1.1 metres

Manufacturer Provided Description

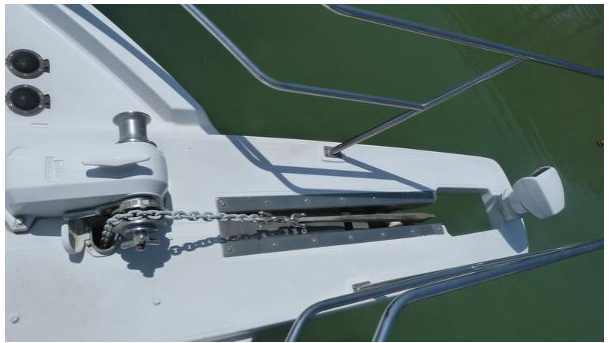

The Bayliner 4788 Pilot House Motoryacht combines comfort, an elegant line, and luxury features. The large bridge deck, with its fully-appointed helm and generous lounge seating, allows captain and guests to enjoy the view together. The 4788 features a wide lounge seat sculpted into the foredeck for sunning, a large transom door for easy access to the broad boarding platform, and generous side decks with grab rails for extra security. The master suite includes a large double berth, twin hanging lockers, a separate dressing room with settee that converts to upper and lower bunks, and a private bath with large vanity and enclosed tub. The midship stateroom offers another a double berth and across the companionway is a second bath complete with shower. The 4788 features a fully equipped electric galley, large salon windows, and unencumbered movement throughout the vessel. Standard equipment includes Raytheon radar, AutoHelm autopilot, electric anchor windlass, and davit with electric winch.
